

## Shop.com Sourcing Program

### PROGRAM DESCRIPTION

Shop.com is a new kind of shopping comparison site that offers the most comprehensive shopping experience on the web. Our shopping experts have drawn on their industry experience and insider connections to bring you the best collection of the stores you can't live without, and the brands and products you love—all in one place. They offer a truly unique shopping experience to our **over 3 million customers** by encouraging them to compare, learn, & share. Unlike other shopping comparison sites, Shop.com offers a variety of tools and expert advice to help consumers make informed buying decisions and to find the best product to suit their needs.

### PROGRAM GOALS

Shop.com has a longstanding partnership with SPS Commerce to connect with high-quality vendors to expand their drop ship business. Shop.com is continuing to rapidly expand their product offerings to their over 3 million customers worldwide and attract new customers to their unique shopping site. Shop.com is improving their customers' shopping experience through selling 100% of available SKUs. Partnering with Shop.com directly will result in a more profitable and successful partnership for all parties.

### VENDOR PARTNERS

Shop.com is looking for drop-ship capable vendors and distributors to expand their network of suppliers that sell directly through shop.com. Ideal vendors have US-based distribution and process orders within 24 hours. They are specifically looking for vendors in the home goods, sporting goods, apparel, baby and kids categories.
